Comprehensive Dry Eye Care

**Where Drops
End, Clarity
Begins.**

Clarity Eye's CODEC program delivers structured, evidence-based dry eye care, combining advanced diagnostics, targeted treatment, and collaborative management.

Diagnostics & Work-Up

- Comprehensive diagnostic work-up bundles
- Tear osmolarity, NIKBUT, tear meniscus height
- Meibography & lipid layer imaging
- Redness analysis (R-Scan)
- InflammADry (MMP-9)

Treatment & Management

- IPL & LipiFlow
- ZEST & lid hygiene therapies
- Punctal plugs & scleral lenses
- Serum tears & PRGF
- Prescription therapies (Cequa, Restasis, Xiidra)

Our vision is excellence.
